Community Offering

- Let this be a safe and honest space where we can learn and be open to unlearning together.
- Language is constantly evolving, so if we or someone else in the room doesn't use what we think is the most up-to-date language, let's practice grace with ourselves and others.
- Learn into humility. Let's recognize that everyone in this room has knowledge and experiences that may differ from our own. Let's humbly listen to each other.

Welcome to the New Mexico Early Childhood Data Convening.
